

MIRIAM B. GROGAN

Associate

Miriam B. Grogan founded Stellar Coaching in 2000 to respond to the growing need of organizations to groom high performing staff members for executive and managerial positions. She works with corporations, government agencies, small businesses and non-profit organizations, coaching high potential employees and consulting on a variety of special projects.

KEY SKILL AREAS

- Executive Coaching
- Team Coaching
- Leadership Development
- Communication and Performance Consulting

CONSULTING AND FACILITATION ENGAGEMENTS

- Coach high- and mid-level professionals to improve communication and management skills, take on increased responsibility and operate strategically.
- Facilitate inter-organization team discussions on promoting diversity.
- Create and deliver professional development programs to help professionals stay current and competitive in managing their careers. Delivery formats include in-person coaching, teleconferences, articles and online tool kits.
- Design and facilitate Stellar Coaching's exclusive Networking "Mocktail" party to help professionals learn critical non-technical skills.
